U.S. Commercial Service, U.S. Department of Commerce,
U.S. Embassy Nairobi.

November 10, 2023

Dear Janet,

RE: INVITATION TO THE MORINGA GRADUATION CEREMONY

Moringa has the great pleasure of inviting you to grace our 2023 Graduation ceremony, as our Guest on the 17th of November 2023. The event will run under a theme dubbed: '**Code your Future: Redefining Tomorrow's Tech Leaders.**'

Moringa School is a digital learning accelerator that has revolutionized how learning is delivered. We have trained over 7,000 students in the last 7 years, 85% of whom have been placed in various roles across various companies and industries. Our ambition is to train over 200,000 digital skills workers by 2030. With our strategic partnerships with notable organizations such as Safaricom Plc, Flatiron School, Mozilla Corporation, Amazon Web Services and Google, your presence at our student showcase would go a long way in strengthening our collaboration with the industry and tech ecosystem development.

Your presence at the event would be an honor, as it would underscore the strides Moringa is taking to contribute to the Kenyan tech ecosystem.

Please let us know your availability. We look forward to hearing from

you. Kind regards,

Fiona Kirui,
Ag. Moringa C.E.O
